Provincial Legislative Report

Edmonton — Without committing government and its supporters last week successfully circumvented a Liberal motion seeking provincial aid to municipalities for clearing snow from school van routes.

To do the job required the original Liberal motion, a Social Credit amendment and a Liberal sub-amendment. The house passed the sub-amendment, the amendment and the motion as amended, and this apparently satisfied everyone in the assembly.

But all it requires the government to do is to consider the cost of snow removal as a factor in its proposed "comprehensive survey" of provincial - municipal fiscal relations. Presumably, in reallocating responsibilities and sources of revenue for municipal governments the province will take into account the added expense of meeting emergencies.

However, the original Liberal motion, although not clearly worded, was aimed at obtaining extra cash for the municipalities this winter to cover the expense of snow removal. The heavy snow this season has cost municipalities thousands of dollars, and officials of many of them are concerned as they watch cash reserves dwindling.

As a compromise, the government agreed to accept the Liberal sub-amendment which asked the government to "consider a program for this year."

This appeared to satisfy Liberal members, although from the remarks of government members it seems the government already has considered the matter and decided it can't do anything this year.

Government members objected to the wording of the original Liberal motion, introduced by R. E. Hall, Athabasca, and seconded by R. J. Whitson, Vermilion. It asked the government to give "favorable consideration to a program that will assist municipalities in snow removal from school van routes."

Cabinet spokesmen said they could not accept the motion with the word "favorable," because if they did the opposition would accuse the government of overriding the legislature in the event the idea was later rejected.

The customary form for a private member's motion is to ask the government to "consider" something. If such a motion is passed, the government is committed only to consider the request.

Premier Manning also pointed out the original motion neglected to mention anything about a plan going into effect this year.

The premier summed up the government's attitude by saying provision of money for snow removal would set a precedent. Snow-clogged roads are only one problem facing municipalities, he said, and pointed out that flooding in the spring may create a bigger problem.

Hon. E. W. Hinman, Cardston, provincial treasurer, capped it by saying the government is willing to "consider" any reasonable request, and saw no reason not to "consider" a program of aid this year, so long as the opposition didn't take this to mean the government was committed.

Then he told the house that when municipal representatives met with the government recently, they were not too concerned about the money they have spent this year on snow removal.

Their main concern, he said, was the possibility of further snowfall. Besides the problem of money, road-sides already are banked up 10 feet or more with snow, and they felt piling up more — if that is possible — would add to the danger of flood damage.

The treasurer said the municipal councillors were told the government always is willing to consider aid if an emergency arises, and he added they appeared satisfied with the interview.

Social Credit ranks took a different attitude toward a Liberal motion call for establishment of an air ambulance service, to rush sick and injured from outlying and isolated areas. It was

W. C. Stone, Emma Dahl, LeRoy Stone Honored

— For Stake Choir Work

A large group of people from Lethbridge, Magrath and Stirling as well as from Raymond recently met in the Raymond Stake House when the Taylor Stake combined with the Stake Choir to give a testimonial in honor and appreciation of the work of the retiring Stake Chorister, W. C. Stone and Organist, Emma Dahl and LeRoy Stone who over a long period of time have been responsible for the music in the Taylor Stake as well as for furnishing a great deal of delightful music in the form of Contatas and operas and program music for the entertainment of the public.

Generous tributes for his work and for his appreciation of music were paid to Mr. Stone by President J. Golden Snow, President J. O. Hicken and Mr. Frank Taylor as well as acknowledgements to Mrs. Dahl and LeRoy Stone who so faithfully supported Mr. Stone through all his musical achievements.

Mrs. Fanny Walker presented Mrs. Dahl, Mrs. W. C. Stone and Mrs. LeRoy Stone with corsages and boutonnières to the Mister Stones.

Frank Taylor made a presentation to each guest of a book, which had been autographed by members of the choir both past and present.

Gracious replies were then made by the honored guests. A program emceed by Joe Strong was then enjoyed when a number of songs were rendered by the choir under the baton of Mr. Stone. These songs were followed in order by organ solos by Emma and LeRoy and a song by T. K. Roberts of Lethbridge who for many years sang in Raymond choirs.

June Fawns then gave a humorous reading, concluding with tributes in the form of an original poem.

In a very nice talk, Ira McBride, who has always helped with singing in Raymond, reminisced on the music and Contatas Mr. Stone had produced. These incidents brought many memories both serious and humorous. As Ira told of the operas, cleverly done posters, the original work of one of Raymond's talented ladies, depicting the themes of the operas were displayed to the delight and gratification of the honored guests as well as the audience.

The evening's entertainment came to a close with a dainty lunch served under the direction of Maybelle Anderson.

introduced by Michael Maccagno, Lac La Biche, and seconded by Mr. Hall.

The motion was defeated on a vote of 33 to 21 after Hon. Dr. W. W. Cross, Hand Hills, minister of health, said Alberta has had air ambulance service for 12 yrs. through contracts with five or six private air firms.

It was learned last week that the government plans to have a committee of the legislature look into the province's liquor laws and recommend changes. Premier Manning has prepared a motion calling for the establishment of a committee, but at the time of writing it had not yet been introduced. It is expected the committee will hold public hearings.

Alberta's Natural Gas Industry

OPERATING THE SYSTEM

How GAS goes home!

Delivering natural gas from the field to your burner tips is a giant-sized job! When gas is obtained from the wells (1) it must be fed through field gathering lines for treatment in processing plants (2). Field pressure and compressor stations (3) force the gas through transmission lines to Alberta's communities. At the transmission line terminus (4) natural gas is measured and its pressure controlled as it enters the distribution system. Regulating stations control and maintain uniform pressure. From the street mains a service line feeds gas to your home — processed, measured and ready to use!

With GAS you get service
— we plan it that way!

Class of the Raymond 1st Ward held a
party recently to honor Mr. and Mrs.
Genier Nelson who are leaving Ray
mond. Earl Grigor was Master of
Ceremonies for a short but delightful
program during which Bishop Holt
spoke of his appreciation for the work
done in the ward by this good couple
and presented them with a book au
tographed by the members of the clas
ses.

The Neilsons then made a gracious
reply.

A delicious lunch was then served
after which the balance of the even
ing was spent playing a variety of
games and dancing the Virginia Reel.

SALMON POTATO PUFFS

Savoury canned salmon and baked
potatoes team up to make a tasty and
satisfying luncheon or supper dish.
6 medium sized potatoes, baked,
1/2 cup of liquid from salmon plus
milk to make up volume, heated.
1/4 cup melted butter.
1/2 teaspoon salt.
1/2 teaspoon pepper.
1 (7 1/2 oz.) can salmon.
1 tablespoon grated onion.
Grated cheese.

Cut baked potatoes in halves length
wise and carefully scoop out centers.
Mash pulp and add heated salmon,
liquid and milk, melted butter and
seasonings. Whip until fluffy. Flake
salmon. Add flaked salmon together
with grated onion to whipped potatoes
and refill potato shells. Sprinkle the
top of each with grated cheese. Bake
in a moderately hot oven (400°F.)
for about 15 minutes or until delicate
ly browned. Makes 6 servings.

PARTY FISH MOULD

Creamy white with flecks of red
skinned apple, golden pineapple and
green celery, this moulded salad set
in a frame of parsley or lettuce is
pretty as a picture ... and flavourable
too.
1 1/2 tablespoons unflavoured gelatin.
1/2 cup cold water.
2 cups flaked, cooked or canned fish.
1 teaspoon salt.
1/2 cup diced, unpeeled apple.
1 tablespoon lemon juice.
1 cup diced celery.
1 cup canned pineapple tidbits, drained
1/4 cup sliced, stuffed olives.
1 cup mayonnaise.
Soak gelatin in cold water. Add

salt to flaked fish and sprinkle diced,
red-skinned apple with lemon juice.
Combine flaked fish, diced apple, dic
ed celery, pineapple tidbits and sliced
olives in a large mixing bowl. Dis
solve gelatin by placing it over boil
ing water. Blend dissolved gelatin
with mayonnaise. Fold mayonnaise
and gelatin mixture into combined sal
ad ingredients, mixing well. Pour in
to a quart jelly mould which has been
rinsed in cold water. A fish mould is
ideal if you can procure one. Chill in
refrigerator until firm. Unmold on a
serving platter and garnish with crisp
green lettuce or parsley. If a fish
mould has been used add two slices
of stuffed olive to represent eyes.

CRISPY FISH FILLETS

Tender fillets dipped in seasoned
milk, coated with toast crumbs, dot
ted with butter and baked in a hot
oven are thoroughly delicious.
2 pounds fish fillets.
1/2 cup milk.
1 teaspoon salt.
1 teaspoon Worcestershire. (optional)
1/2 cup dry bread crumbs.
2 tablespoons butter.
Preheat oven to 500°F. Cut fillets
or frozen blocks of fillets into serving
size portions. Stir salt and Worcest
shire sauce into milk. Dip fillet port

ions in seasoned milk and roll in dry
bread crumbs (prepared by drying
slices of bread to a golden crisp in
the oven and crushing). Place breaded
fillets in a shallow greased baking
dish, dot generously with butter and
bake. To determine approximate cook
ing time required, measure thickness
of fillets with a ruler before placing
in oven. Allow about 10 minutes cook
ing time per inch of thickness for
fresh fillets and about 20 minutes per
inch thickness of block for frozen
fillets. Makes 6 servings.

TALENT NIGHT

(continued from front page)

The Third Ward Special Interest Group held a very interesting talent and hobby night. On display was a group of wrought iron work including table lamps, chairs, tea wagon and doll beds also on display was copper ware hand work, painted objects and colored photographs. Talent was also shown in the cooking department with many new and delicious foods exhibited and served as a smorgasboard lunch after the following program was heard: Original poems by Alma Hancock and Thomas Rudd. Bill Greep favored by playing the Mouth Organ. Gary Salmon entertained the class by playing the Bagpipes and also a trumpet solo. Betty Wason gave a reading followed by a vocal duet "We Two" sung by Ruth Salmon and Joe McLean, which tune was also waited to by them and Gordon and Kay Anderson. Jane McMullen and her family entertained with a musical skit and Emma Dahl a piano solo. A very well done one act play under the direction of Gladys Hague brought the program to a close.

The 4th Ward Special Interest Class held a most enjoyable evening at Mutual when they had their talent night staged under the direction of Ruth Gibb. The evening was one of surprises extending from the ridiculous to the sublime. Ella Galbraith and Irene Jensen started the program by searching out the hidden orchestral talent from among the forty - five members present. Irene organized them into a Rhythm Band, then conducted them in two unrehearsed numbers, much to the delight of the audience. Margaret Bridge and Kay Keeler gave two piano duets; Jean Rolison told the whistling story of the "Three Pigs"; Norma Zobel played a piano medley depicting the spring; Zetella Taylor gave a most inspiring sermon on "And the Poor Little Dog Got None". The Bishopric sang very harmoniously, "In the Gloaming" and "Clementine". Margaret Bridge related the immortal "Three Bears". The Relief Society Singing Mothers concluded the program with the rendition of two anthems. Prayer was offered by Bryant Jensen and brought the evenings entertainment to a close.

The Class Executive, Ruth Gibb Eunice Snow, Retta Heggie and Dorothy Jones served a lovely lunch.
